

HES Business Meeting

Secretary's Report

Marianne Johnson

June 2016

- (1) Cambridge University press records 186 History of Economics Society members as of May 26, 2016. If the website revision moves forward as scheduled, we will manage our own membership renewal process directly beginning in 2017.
- (2) The HES has hired a society manager. Questions about memberships, renewals, and general society business can be emailed to hes@uwosh.edu.
- (3) Due to a mistiming of the HES elections, Tiago Mata and Michele Alacevich will begin their terms on the Executive Committee in June 2017.
