

President report July 2024

2024 conference

We had 122 submissions of papers and organized sessions

The number of registered participants is 151 (of which 11 asked for remote access due to unforeseen circumstances)

So far it seems we are on budget

GOF

We reached out to our cousin societies and received a general positive response.

We sponsored the Winter School.

Committees

All committees are in place and seem to be functioning well

The nominating committee in particular submitted names way in advance of their due dates.
